Located just outside of Kigali City Centre in the Gasabo district, Kigali Genocide Memorial & Museum was created by a joint partnership of the Kigali City Council and the UK-based Aegis Trust. The centre is an extremely moving, challenging, educational and ultimately inspiring as well as a great place to understand the cause, tragedy and successful rebuilding post-genocide.

The memorial hosts a tour which is transparent and educational but very sombre and humbling when guests realise that over 250,000 deceased are buried on the site of the memorial.
